**When will meetings take place?**

Fire & Emergency Service Career Exploring posts typically meet on a monthly basis during the school year. Most programs parallel the high school calendar and begin in the fall. There are a number of programs that start at other times during the year to meet the needs of the host organization and their participants. These programs are flexible enough to fit in with most other activities.

**Program Costs:**

The Fire & Emergency Service Career Exploring program is very affordable with participation fee of \$25.20 per year. Special activities, events, leadership academies and conferences may cost more and will be determined by the Exploring post.
