

The City of Buckeye through the Flood Control District of Maricopa County, in accordance with National Flood Insurance Program regulation 65.7(b)(1), hereby gives notice of the City of Buckeye's intent to revise the floodway, generally located along Watson Road and between Roosevelt Street and McDowell Road. Specifically, the floodway shall be revised from FEMA Section G to FEMA Section I, as indicated on the FEMA FIRM 04013C2110L effective date October 16 2013. As a result of the floodway revision, the floodway shall be relocated approximately 90 feet to the west and 110 feet south in the vicinity of the intersection of Watson Road and Portland Street.

In addition, the 1% annual chance water-surface elevations and/or the 1% annual chance floodplain shall be revised from FEMA Section G to FEMA Section I, as indicated on the FEMA FIRM 04013C2110L effective date October 16 2013. As a result of the revision, the 1% annual chance water- surface elevations shall increase and the 1% annual chance floodplain shall be relocated approximately 90 feet to the west and 110 feet south in the vicinity of the intersection of Watson Road and Portland Street.

Maps and detailed analysis of the revision can be reviewed at the Flood Control District of Maricopa County at 2801 W. Durango Street, Phoenix AZ 85009. Interested persons may call the Chief Engineer & General Manager at 602-506-4701 for additional information from 9am to 5pm, Monday thru Friday.
