

Residential Curbside Trash and Services

Republic Services Appreciates the Opportunity to Service Your Community

As a City of Buckeye resident, you will receive residential curbside service two times per week; one time per week for trash and one time per week for recycling. Your scheduled service days are determined by your service area. Please see the Area Map to determine your scheduled days. **Please place containers on the street the night prior to collection, no earlier than 6:30 p.m., or by 5:30 a.m. on your assigned collection day.**

For safe and efficient service, please place the container in the street with the wheels touching the curb.

Sun City Festival In-Ground Containers

Sun City Festival residents are located in either collection area 1 or collection area 2. Please see the Collection Area Map on page 3.

The in-ground container located closest to the garage is for recyclables and the in-ground container located closest to the street is for trash. Please place excess bagged and tied garbage on top of your in-ground trash container and don't forget to place excess recyclables in a box or paper bag which is then to be placed on top of your in-ground recycling container. All materials must be set out for collection no later than 5:30 a.m. on collection day. Please keep landscaping trimmed and away from the in-ground containers. Pavers should also be kept 6" away from the in-ground containers.

DO NOT PLACE CONTAINER ON THE SIDEWALK!

Safe Service Delivery is Our Goal

Two days of service per house per week are detailed in the Area Map on the next page. Please "bag & tie" all garbage, grass, yard trimmings and pet excrement before placing them in the trash container. It's more than a good idea, it's the law!
