

Engineering Design Standard Section 4-1

Date: 06-20-16

## ADDENDUM TO BUCKEYE SEWER DESIGN STANDARDS

Request No. <b>1</b>	APPROVED: Y / N	ADDENDUM NUMBER <u>S1</u>
----------------------	-----------------	---------------------------

This addendum is based on the City of Buckeye Engineering Design Standards adopted by City Council in Resolution No. 37-12.

The requirements of the Buckeye Design Standards section may be modified at any time by the City Engineer pursuant to Chapter 23, Article 23-2 and adopted by City Council.

The standards, design criteria, and policy set forth in this section were developed and recommended by the City Engineer.

The following changes will be in full effect after the signature date, and supersedes the originally approved standards and details as formerly written.

**Revised Standard Number:** Revise Detail 41260

**Original text/Detail:**

The original detail 41260 depicts the saddle logo. That logo was changed into the new current logo. This addendum will bring the logo up to current standard.

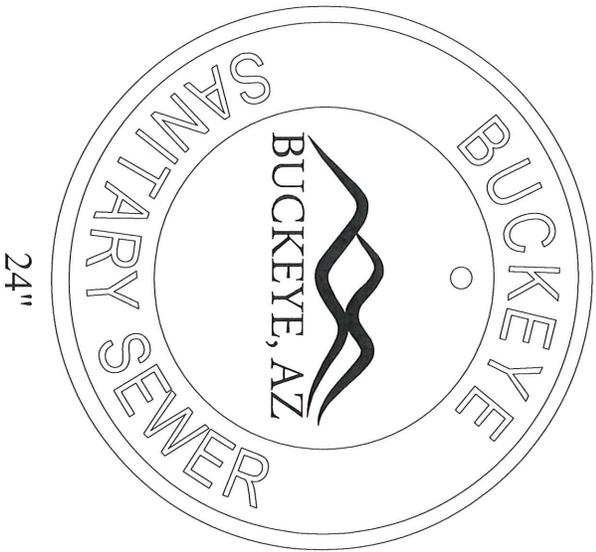

**Revised Text/Detail:**

Revised detail 41260 to the current logo.

**Authored By:** Craig Sharp
