Set your bulk pile out for collection **on your property**, parallel to the street or curb, before 5 a.m. on the day of your scheduled collection.

The bulk pile must **not be larger than 6' x 6' x 6'** – You are responsible for disposal of bulk waste over this amount. Your pile shall not be placed on the sidewalk, in the street, behind a fence or any obstruction.

Items must be placed in bundles – 3' long stacked and tied piles.

If you live within incorporated city limits, you **MUST** have a solid waste account with the City.

BULK TRASH CREWS DO NOT PICK UP:

- Household Hazardous Waste (paint, chemicals, oil, batteries)
- Appliances containing freon
- Infectious or medical solid waste, sharps (needles), and medicine
- Metal material or automobile parts over fifty (50) pounds
- Tires from any type of vehicle (take these to the county landfill)
- Glass (windows, patio doors, etc.)
- Bricks, concrete, dirt, rocks, asphalt, roofing or similar materials
- Whole or un-bundled bushes or trees
- Anything more than the allowed 6X6X6 area

Can't wait for the bulk trash day? Republic will collect your bulk trash, following the City Safety guidelines, for a contracted agreed rate for City of Buckeye residents. To find out more call Susie Bellue of Republic Services at 602-442-5953.

Bulk Trash Self Schedule Collection: \$130.00*

Moving Box Self Schedule Collection: \$35.00*

*(2016 rates, rates are valid from Dec 1 – Nov 30)

Trash and Recycle Cart Map

BUCKEYE, AZ

Let's Talk Trash!

(and Recycling too)

General Information regarding trash and recycle carts

- #1** If you live within the incorporated city limits, you **MUST** have a current solid waste account with the city.
- #2** Residences **WITH** sidewalk and **NO** alley collection pad - Place your cart in front of your house on the street with wheels adjacent to the curb; lid opening toward street
- #3** Residences **WITH** an alley - place your cart on your assigned pad with lid opening toward alley (all carts on one side only)

Trash Cart Guidelines

Trash Do's:

- ✓ All waste must be bagged and securely tied
- ✓ Cut loose branches and brush to size-trim these items so that lid is able to close
- ✓ SHARPS - store needles in a rigid, leak-proof and puncture resistant container. Ensure lid is taped and container clearly labeled "SHARPS" before placing in the trash cart.
- ✓ Medication - prescription and OTC meds should be mixed with coffee grounds or other wet waste, and placed in a sealed bag before placing in the trash cart.

Trash Don'ts:

- ✗ Do not place un-bagged trash or un-bagged yard waste in the trash cart
- ✗ Do not dispose of un-bagged loose sawdust, flammable or volatile liquids*
- ✗ Do not dispose of tires or construction/demolition waste in the trash cart

Treat your carts right!

- ✓ Keep your carts clean
- ✓ Keep under 200lbs - carts filled too heavy will break
- ✓ Between collections, store your trash carts on your property, following HOA rules
- ✗ Do not place trash carts on the sidewalk
- ✗ Do not overfill - overfull carts will not be serviced
- ✗ Do not place trash and recycle carts out on the same day, each have separate collection days
- ✗ Do not place trash cart within 10' of any fixed object
- ✗ Do not dispose of hazardous material (paint, pesticides, cleaning products, automotive waste)
- ✗ Do not dispose of hot ashes or any burning matter, a damaged cart will be charged to your account

- #4** Residences **WITHOUT** sidewalk - place your cart at the edge of the street no more than two feet from the pavement or improved road; lid opening toward street
- #5** Your solid waste fee provides one trash/recycle cart service weekly. Additional carts may be requested for an additional fee (in-ground service customers own and maintain their own cans).
- #6** Ensure carts are placed out on time - either on the evening before collection day or before 5:30am day of collection. Carts must be removed by 11:00 p.m. on collection day.
- #7** Cart lids must close completely. Loosely pack the cart so that contents fall out easily when serviced.

Recycle Cart Guidelines

Recycle Do's:

- ✓ Do recycle plastic, glass, metal, paper & cardboard
- ✓ Rinse all cans to remove food. Material must be dry and clean to recycle
- ✓ Break down and section large cardboard boxes before placing in trash can
- ✓ Use paper bags for small items to prevent spills

Recycle Don'ts:

- ✗ Do not put recycling in plastic bags
- ✗ Do not place green waste or yard waste in the cart
- ✗ Do not place plastic shopping bags or plastic film packing in the cart
- ✗ Do not place used paper towels or napkins in the cart
- ✗ Do not place food, medical or infectious materials, paint, pesticides, automotive waste, tires, or light bulbs in the cart
