- 3. Board of Directors of the Sundance Community Facilities District to take action on the award of Delivery Order No. 3 to Job Order Contract (No. 2014-025-4, DORFP #5) to Haydon Building Corporation.**

**APPROVED**

Summary: The work described in this Delivery Order to the Job Order Contract between the City of Buckeye and Haydon Building Corporation includes rehabilitation and upgrading of Sundance Well No. 8, allowing for additional water production capacity to the Sundance area. The cost of the project will not exceed the budgeted total amount of \$843,450.57.

Dave Nigh, Water Resources Director, (623) 349-6101, [dnigh@buckeyeaz.gov](mailto:dnigh@buckeyeaz.gov)

- 4. Board of Directors of the Westpark Community Facilities District to take action on Resolution No. 04-16 authorizing the issuance and sale of its District General Obligation Refunding Bonds, Series 2016, in an aggregate principal amount of not to exceed \$6,500,000; delegating the authority to approve certain matters with respect to the bonds and the bonds being refunded; providing for the annual levy of a tax for the payment of the bonds; authorizing the appointment of a Registrar, Transfer Agent and Paying Agent, a Depository Trustee and a Dissemination Agent; approving the form of the bonds and certain documents and authorizing completion, execution and delivery thereof; delegating the authority to approve and deem final a form of Official Statement; approving the sale of the bonds to the purchaser thereof; and ratifying all actions taken or to be taken to further this Resolution.**

**APPROVED**

Summary: Issuing bonds to refund outstanding bonds will achieve savings on annual debt service payments. Currently, the District has outstanding General Obligation Bonds, Series 2005, Series 2006, and Series 2007. The Refunding Bonds will be used to pay off all or a portion of the outstanding bonds. The District will achieve savings on its annual debt service by replacing the bonds at a lower interest rate, resulting in lower annual debt service payments and cost savings on the previously issued bonds. Current projections show the Refunding Bonds will result in anticipated net present value savings in excess of \$425,000.
