

Welcome to the City of Buckeye!

Public Works would like to introduce you to the solid waste collection services for our City.

We have a brand new customer service web app, the [‘Help Make Buckeye Clean’ web app](#) located on our [web page](#). In that app you may find information regarding your trash service schedule, print off a calendar of your schedule, look up items you may have questions on regarding proper disposal, set up service email messages and more.

Also:

- We have brown [trash carts](#), and blue [recycle carts](#) (except for Festival residents with in-ground cans) Our web page has links for proper use of these carts, and [what may be recycled](#) in our City (more may be found on our City Code [§9-1-11-D](#)).
- Please do not recycle [plastic film and bags](#), as they break the recycle sorting equipment. See our [“do more blue”](#) slogan for more on recyclables in Buckeye.
- We have quarterly [bulk trash](#) collection. Check out our [web app](#) for your service date.
- We have [Household Hazardous Waste](#) appointment drop off service at our new [Public Works yard](#).
- We have battery drop off at City Hall, and at the fire department in Festival.
- We also have a [landfill](#) for your larger waste needs for a nominal charge.
- Periodically I email public notices entitled “Important information from the City of Buckeye Public Works Department.” Please note, this email will contain information that you need to know and will be helpful to your trash and recycling service needs. Email for this list are provided by your account contact information; however, residents may also sign-up to our newsletter by entering your [email at this link](#).
- **Moving Box Collection** – residents may schedule and pay Republic Services to collect boxes – see below.

For regular trash account issues or concerns, **please call our customer service line at 623-349-6100.**

Our contractor, Republic Services, offers additional trash service assistance to our customers. If you are moving or have significant bulk trash or boxes outside of our regularly quarterly scheduled collection, you may contact Republic Services directly to set up collection: self-scheduled [Bulk Trash](#) for \$140.00, and self-scheduled cardboard [moving box collection](#) for \$35.00. This is set up and paid directly to Republic Services by you. You may contact Republic Services at 602-455-3353 (Stephanie).

Thank you, and please let me know if I may be of further service,

Robert van den Akker
Environmental Manager
