

Lasting memorial opportunities at Louis B. Hazelton Memorial Cemetery

Pay tribute to family members or friends who are laid to rest at the Louis B. Hazelton Memorial Cemetery by memorializing them with our Adopt-A-Bench or Adopt-A-Tree program.

Adopt-A-Bench

Benches are installed around the perimeter of the cemetery, as close to your loved ones as possible. Benches will be installed underneath trees already planted at the cemetery.

Benches are made of millstone grey granite and include engraving of your loved one's name for only \$850.

Adopt-A-Tree

When you participate in the Adopt-A-Tree Program, a 6" x 6" granite plaque with engraving will be installed at the closest available tree to your loved one's burial location. A new tree will be ordered and planted in the new section of the Cemetery.

The cost of the Adopt-a-Tree Program is \$250.

Help us add beauty to the cemetery while also providing shade and a quiet place for you and others to spend time with your loved one.
