APPLICATION PROCEDURES COMPREHENSIVE SIGN PLAN

Important Information:

- **The City of Buckeye now accepts all submittals/resubmittals and payments electronically. Please follow process on the Planning and Zoning Webpage. Resubmittals can be directed to your assigned planner rather than to the general submittal contact.**
- All multi-tenant commercial and mixed-use developments shall submit a Comprehensive Sign Plan (CSP) per Section 5 of the 2010 Development Code. CSPs can be approved administratively up to a 10% variation from the Development Code standards. At over 10%, the CSP must be approved by Planning & Zoning Commission.
- The fees for Comprehensive Sign Plans are listed on the Planning and Zoning Website at <https://www.buckeyeaz.gov/business/development-services/planning-zoning> and were approved by City Council in the Development User Fee Schedule Effective July 1, 2018.

The following information is provided to assist in the preparation and submittal of an application for a Comprehensive Sign Plan ("CSP") as designated the City of Buckeye Development Code.

1. *Pre-Application Conference ("PAC") Process* – **Prior to filing an application for a Comprehensive Sign Plan, it is advisable that the applicant complete the PAC review process.** Forms to apply for a PAC review are available through the Development Services Department or on the City's website (www.buckeyeaz.gov).
2. *Application Filing* – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. It shall be the responsibility of the applicant to ensure the accuracy and completeness of the request. Applications received after 4:00 p.m. will be processed the next business day. Incomplete applications will NOT be accepted.
3. *Staff Review* – Once a complete application is received and processed, the submitted information will be assigned to a Planner and routed to appropriate City staff and agencies for review/comment. After this review, the assigned planner collects and consolidates the comments, which are then returned to the

applicant. Any technical questions should be addressed with the assigned Planner who will facilitate any needed communications or meetings with the appropriate city departments.

The applicant is then responsible for addressing the comments and submitting revised plans. Upon resubmittal, the staff review process will begin again albeit at an expedited pace. In some cases, it is necessary to have several resubmittals before moving the request forward in the process.

4. *Staff Reports* – Once all staff comments have been addressed and a hearing has been scheduled (if applicable), the assigned Planner will prepare a report describing and evaluating the proposed project and making a recommendation for action to the Planning and Zoning Commission or approving the case administratively.
5. *Planning and Zoning Commission Public Hearing* (if applicable)– Regular Planning and Zoning Commission hearings occur on the second (2nd) and fourth (4th) Tuesday of each month at 6:00 p.m. Regular meetings are held in the City Council Chambers, located at 530 E Monroe Avenue. The applicant, owner, or appointed representative must be present at the hearing. The Planning and Zoning Commission, taking into consideration staff presentation, owner/applicant/project representative presentation, and public testimony, will approve, approve with modifications and/or stipulations, continue or deny the request.
6. *Inactive Cases* – All applications need to be actively pursued to a decision. If the City has completed any and all appropriate reviews and no activity has occurred for the continued processing of the application on behalf of the applicant for at least for one hundred eighty (180) days, the application will be considered inactive, deemed to be withdrawn, and the file will be closed. Thirty (30) days prior to the inactive date, staff will notify the applicant in writing of the impending action. The applicant may submit a written request for the application to remain active along with an explanation for the inactivity. The Director may grant an extension for up to one hundred eighty (180) days for good cause if there is reasonable belief that the application will be actively pursued during the extension period.
