APPLICATION PROCEDURES

Pre-Application Conference

Important Information:

- All PAC submittals must be received no less than 2 weeks prior to the next regularly scheduled and available PAC date.
- PACs are typically held on the second (2nd) and fourth (4th) Thursday of each month, excluding holidays, in the Buckeye Conference Room. If there are less than 2 items scheduled for any PAC, the PAC may be canceled and the items placed on the next PAC agenda. No item will be moved more than once.
- Applicant attendance at the PAC is mandatory.
- **Please note that the purpose of a PAC is to give preliminary comments and information about an applicant's proposal and to articulate the city's required processes. Formal and extensive comments will be given only after the future primary submittal has occurred.**

The following information is provided to assist in the preparation and submittal of a request for a Pre-Application Conference (PAC) for property within the City of Buckeye.

1. *PAC Application Submittal* – For a request to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of submittal. All submittals must be received by 4:00 p.m. no later than 2 weeks prior to the next regularly scheduled and available PAC. A request submitted after the above-referenced deadline will be placed on the next available PAC agenda. Incomplete submittals will NOT be accepted.
2. *PAC Format* – A complete meeting agenda will be e-mailed to each applicant at least 1 week prior to the scheduled meeting date. The agenda is divided into specific time slots for each application received. Each applicant must attend during their allotted time. Representatives from each reviewing City Department (i.e. Planning, Engineering, Fire, Police, etc.) will attend the PAC or send written comments with their contact information. During the PAC, each department will have any opportunity to speak with the applicant and provide feedback. Written PAC comments (meeting notes or departmental comments) will be given to the applicant at the end of the PAC meeting.
3. *PAC Comments* – The applicant should review the meeting notes and comments and address them in the first (1st) formal application submittal. First (1st) submittals will not be accepted without the project going through the PAC process, unless alternative procedures are approved.
