APPLICATION PROCEDURES

VARIANCE

Important Information:

- In accordance with A.R.S. § 9-462.06, a variance may not be granted unless evidence is presented that satisfy the following conditions:
 - There are special circumstances applicable to the property, including its size, shape, topography, location, or surroundings, whereby the strict application of the Development Code will deprive such property of privileges enjoyed by other property of the same classification in the same zoning district;
 - Such special circumstances were not created by the property owner; and
 - The variance does not constitute a grant of special privileges inconsistent with the limitations upon other properties in the vicinity and zone in which such property is located.

The following information is provided to assist in the preparation and submittal of an application for a variance for a property within the City of Buckeye or to obtain an interpretation of the City Development Code. The request will be considered and a final decision will be made by the City Council acting as the Board of Adjustment at a public hearing.

1. *Application Filing* – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. It shall be the responsibility of the applicant to ensure the accuracy and completeness of the request. Applications received after 4:00 p.m. will be processed the next business day. Incomplete applications will NOT be accepted.
2. *Staff Review* – Once a complete application is received and processed, the submitted information will be assigned to a Planner and routed to appropriate City staff and agencies for review/comment. After this review, the assigned Planner collects and consolidates the comments, which are then returned to the applicant. Any technical questions should be addressed with the assigned Planner who will facilitate any needed communications or meetings with the appropriate city departments.

The applicant is then responsible for addressing the comments and submitting revised plans. Upon resubmittal, the staff review process will begin again albeit at an expedited pace. In some cases, it is necessary to have several resubmittals before moving the request forward in the process.

Revised March 2018

3. *Public Notification* – Upon the scheduling of any public hearing and no later than fifteen (15) days prior to its occurrence, it is the responsibility of the applicant to notify all property owners within three hundred (300) feet of the subject property. Notification shall be in the form of a letter delivered via First Class U.S. Mail, a sign(s) posted adjacent to all public rights-of-way, and publication within a widely circulated newspaper throughout the City (i.e. The Arizona Republic). All notifications should contain, at minimum, the following information; description of the Site Plan request, owner/applicant contact information, and public hearing time/date/location. Upon completion of the above-mentioned notification requirements, an Affidavit of Mailing, an Affidavit of Posting, and Proof of Publication shall be submitted to the assigned Planner not less than ten (10) days prior to the public hearing. Failure to submit the requested information will result in the postponement of the public hearing item.

The Director may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary.

4. *Staff Reports* – Once all staff comments have been addressed and a hearing has been scheduled, the assigned Planner will prepare a report describing and evaluating the proposed project and making a recommendation for action to the City Council acting as Board of Adjustment. Copies of the staff report will be made available to the public and sent to the applicant prior to each hearing.
5. *City Council Public Hearing* – Regular City Council hearings occur on the first (1st) and third (3rd) Tuesday of each month at 6:00 p.m. Regular meetings are held in the City Council Chambers, located at 530 E Monroe Avenue. The applicant, owner, or appointed representative must be present at the hearing. The City Council, taking into consideration staff presentation, owner/applicant/project representative presentation, and public testimony, will approve, approve with modifications and/or stipulations, continue, or deny the request.
6. *Inactive Cases* – All applications need to be actively pursued to a decision. If the City has completed any and all appropriate reviews and no activity has occurred for the continued processing of the application on behalf of the applicant for at least for one hundred eighty (180) days, the application will be considered inactive, deemed to be withdrawn, and the file will be closed. Thirty (30) days prior to the inactive date, staff will notify the applicant in writing of the impending action. The applicant may submit a written request for the application to remain active along with an explanation for the inactivity. The Director may grant an extension for up to one hundred eighty (180) days for good cause if there is reasonable belief that the application will be actively pursued during the extension period.
