

FIRE ALARMS DEFERRED SUBMITTAL

Property Address: _____

Lot/Subdivision: _____

Applicant: _____

I hereby request deferral of the fire alarms submittal for the above referenced address. I understand that the deferred submittal is an option and would require that I submit fire alarm plans for review and approval prior to the installation of fire alarm on this project per 2012 IBC Section 107.2.2.

Pursuant to IFC (2012 Edition) Section 105.4.2.1 deferred design submittal documents shall be sealed construction/design documents and shall bear document review/approval stamp(s) with the following notation "These deferred design submittal documents have been reviewed and they have been found to be in general conformance with the design of the building. Deferred design submittal items shall not be installed until these deferred design submittal documents have been approved by the Fire Code Official." The review/approval shall include the legible printed name of the project registrant architect and project registrant engineer responsible for that project discipline and their signatures.

The deferred fire alarms submittal shall include the following:
