ADDENDUM #1

Issue Date: March 5, 2019

Solicitation: Historic Downtown Waterline 1st to 4th Street – CDBG DG1701

Proposal Due Date: March 14, 2019 not later than 3:00 p.m. local time

NOTE: Attach this Addendum to your original Proposal. However, if your Proposal has already been returned, complete this Addendum and return for attachment to your Bid no later than then the date mentioned above to:

City of Buckeye
530 East Monroe Avenue
Buckeye, Arizona 85326
Attn: Debby Fasano, Contract Administrator

The following revisions have been made:

1. Construction sign specification are attached in Exhibit A.
2. Replace Davis Bacon General Decision Number: AZ190017 01-04-2019 AZ17 with AZ190017 02-08-19 AZ17 pursuant to Exhibit B.

The following question has been asked:

1. **Q.** For the Alternative Bid, the C900 DR14, for the Dipped Water Lines, City of Buckeye detail #31225 calls out for the dipped pipe to be ductile iron and a for a minimum of 20 feet on both sides, does the City plan on following that detail or do you want all of the pipe through these sections to be the C900 PVC pipe? There are 5 of these Dipped Water lines on plan sheets 8 – 12 and most of the swing connections to the existing.
 - A. For the alternate bid, the dip sections would be PVC C900.

The balance of the specifications and instructions remain the same. Offerors must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the Proposal submittal. Addendums are not included in the page count.

Offeror certified that Offeror has read, understand, and will fully and faithfully comply with this RFP, its attachments and any referenced documents. Offeror also certifies that this offer was independently developed without consultation with any other Offerors or potential Offerors.

HISTORIC DOWNTOWN WATERLINE 1ST TO 4TH STREET

CONSTRUCTION SIGN

The construction project sign(s) shall be installed prior to commencement of construction.

Materials.

- ½" MDO Painted Plywood 4' x 8' size sheet, framed with 2" x 4"s for support.
- 3M 3290 White E.G. Sheeting – or equivalent
- 3M 1170 Overlay Film – or equivalent
- Inks shall suitable to last the duration of the project without fading or running.
- In ground mounted posts shall be 4" x 4" treated wood. Posts for portable signage shall be 1-3/4" x 1-3/4" square perforated galvanized steel tubing.
- Bases for portable signs shall be suitable to support the sign and withstand overturning during typical Phoenix valley weather events.

Mounting and Installation. Semi-permanent in ground mounting posts shall be set a minimum of 2' in depth. Angled bracing may be required to provide stability. Portable mounting for reposition around the project shall be on (metal post type) suitable for installation into Height from ground to bottom of sign – 3' minimum, 4' max.

Method of Measurement and Basis of Payment.

This work shall be paid for at the contract unit price per each for CONSTRUCTION SIGN, which price shall include all labor, equipment and materials necessary to perform the work as herein specified.

Sample Graphics.

DAVIS BACON WAGE DECISION

General Decision Number: AZ190017 02/08/2019 AZ17

Superseded General Decision Number: AZ20180018

State: Arizona

Construction Type: Heavy
 HEAVY CONSTRUCTION, Includes Water and Sewer Lines, Heavy
 Construction on Treatment Plant Sites and Pipeline Construction

County: Maricopa County in Arizona.

HEAVY CONSTRUCTION PROJECTS (DOES NOT INCLUDE DAM CONSTRUCTION)

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.60 for calendar year 2019 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.60 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2019. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the

Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that

classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division

U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
