

Louis B. Hazelton Memorial Cemetery

Proposed Cemetery Fee Schedule

During fiscal year 2017-2018, work began on the expansion of an additional 9.16 acres directly north of the existing sections at the Louis B. Hazelton Memorial Cemetery. It is anticipated that the expansion will be ready for plot sales by the end of fiscal year 2018-2019.

Our current fees related to the Cemetery are not changing. However, due to requirements within the City Code Chapter 21 and added options for our customers, we are requesting to establish new fees. Below is a review of our current fees along with a comparison to other similarly situated cemeteries in Maricopa County.

Adopt-a-Bench Program

The Cemetery is now offering an adopt-a-bench program for \$850. This program is intended to beautify the cemetery while allowing customers to memorialize loved ones at the Cemetery. Cemetery staff will assist with site selection and donors will have a choice of limited engraving on the face and/or seat of the bench.

Community Columbarium Niches

A community columbarium is a place for the respective interment of cremains. Community columbariums are a space saving option that we intend to offer Buckeye citizens.

Columbarium Proposed Fee

- Single Niche \$1,000
- Companion Niche \$2,000

Fee Comparison:

- City of Glendale \$1,320 - \$3,120
- City of Mesa \$1,610 - \$1,900
- City of Tempe \$1,090 (Single spaces only)

Vaults/Grave Liners

Municipal Code §21-4-1(E) Interments states, “In cemetery Sections E through Z, caskets shall be enclosed in a concrete box or vault.” The City of Buckeye does not require vaults in Sections A through D, however, vaults are required in new sections E through H. We recommend offering a standard burial vault/polyliner for purchase to customers.

Proposed Fees:

- Standard Polyliner \$1,000

Fee Comparison

- City of Glendale \$1,020 – 1,200 (+ \$300 to install)
- City of Mesa Does not Sell
- City of Tempe Does not Sell

Disinterment Fee

Currently, the City of Buckeye does not have an established fee for the disinterment of remains of individuals buried at the Cemetery. While this is not common, it does happen at the Cemetery. Disinterment is a time consuming and painstaking process and we are requesting to establish a disinterment fee of \$1,000.

Fee Comparison

- City of Glendale \$1,320
- City of Tempe \$1,118
- City of Mesa \$1,630

Attached is a proposed fee schedule along with fee scheduled posted by other municipal cemeteries in Maricopa County.
