

PUBLIC NOTICE

Louis B. Hazelton Memorial Cemetery

Notice is hereby given by the City of Buckeye to the public regarding any plots previously reserved at the Louis B. Hazelton Memorial Cemetery.

City of Buckeye Code Section 21-5-3(B) states: “Payment plans for reserved plots may be approved by the City, however all plots must be paid in full within one year of reservation. Any plots not paid in full within one year will revert to the City.”

In the process of reviewing all Cemetery records available (from the time the Cemetery was founded to the present), the City has located several plots that have been reserved but never paid from 1978 to the present time.

The City of Buckeye will be sending certified letters to individuals who previously reserved plots but never paid the balance in full notifying him or her of (1) the required timeframe to pay in full a plot reservation and (2) current market prices.

If you have any information or questions about a plot you or a family member have reserved, please contact (623) 349-6711. The City of Buckeye is eager to obtain information from family members or schedule an appointment when requested. The City of Buckeye is dedicated to the Louis B. Hazelton Memorial Cemetery and ensuring that citizens of Buckeye will have the opportunity to reserve plots for their family’s future burial needs.
