ADDENDUM #1

Issue Date: June 13, 2019

Solicitation: RFQ #2019011 – Job Order Contracting for Water Treatment Infrastructure

Proposal Due Date: July 9, 2019 no later than 3:00 p.m. local time

NOTE: Attach this Addendum to your original Statement of Qualification. However, if your Proposal has already been returned, complete this Addendum and return for attachment to your Statement of Qualification no later than the time and date mentioned above to:

City of Buckeye
530 East Monroe Avenue
Buckeye, AZ 85326
Attn: Debby Fasano, Contract Administrator

The following changes have been made:

1. Section 4 - Submittal Requirements TAB A – Project Experience currently reads:
“Identify at least seven (7) but no more than ten (10) comparable projects. Demonstrate the experience of your firm and/or proposed team, including sub-contractors, on projects same/similar to that described in the solicitation for same/similar services. The projects submitted should also demonstrate that the contractor and/or the team have performed a same/similar type of services at multiple sites simultaneously. Same and or similar type services may be any type of contract for water utility infrastructure as follows:
 - Job Order Contracts for water utility infrastructure.
 - Multiple Award Task Order Contracts for water utility infrastructure.
 - One (1) project presented in TAB A must be rehabilitation of water distribution lines or wastewater lines.
 - Two (2) projects must include water infrastructure such as; water treatment plant, booster pump station, PRV site, wells, storage tanks, and have a final construction value of greater than **\$3,000,000.**
 - All projects submitted must have been completed within the last eight (8) years.”

And has been changed to read as follows:

“Identify at least seven (7) but no more than ten (10) comparable projects. Demonstrate the experience of your firm and/or proposed team, including sub-contractors, on projects same/similar to that described in the solicitation for same/similar services. The projects submitted should also demonstrate that the contractor and/or the team have performed a same/similar type of services

at multiple sites simultaneously. Same and or similar type services may be any type of contract for water utility infrastructure as follows:

- Job Order Contracts for water utility infrastructure.
- Multiple Award Task Order Contracts for water utility infrastructure.
- One (1) project presented in TAB A must be rehabilitation of water distribution lines or wastewater lines.
- Two (2) projects must include water infrastructure such as; water treatment plant, booster pump station, PRV site, wells, storage tanks, and have a final construction value of greater than **\$2,000,000**.
- All projects submitted must have been completed within the last eight (8) years.”

The balance of the specifications and instructions remain the same. Offerors must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the Proposal submittal. Addendums are not included in the page count.

Offeror certified that Offeror has read, understand, and will fully and faithfully comply with this RFP, its attachments and any referenced documents. Offeror also certifies that this offer was independently developed without consultation with any other Offerors or potential Offerors.
