**Adopt-A-Bench Program**

Honor a loved one and enhance the natural beauty and tradition of the Louis B. Hazelton Memorial Cemetery by participating in the Adopt-A-Bench program.

For a donation of \$850, a granite bench will be installed as a memory for your loved one. Cemetery staff will assist you with site selection. Donors have a choice of placing some limited engraving on the face and/or seat of the bench.

Donors must submit this form with their donation, and the Louis B. Hazelton cemetery staff will handle the rest. As mentioned above, your donation will include the ordering and installing of the bench at the perimeter of the cemetery. Forms can be submitted via mail to the Buckeye Fire Department Administration located at 21699 W. Yuma Rd., Ste. 101, Buckeye, AZ 85326 or emailed to [llerma@buckeyeaz.gov](mailto:llerma@buckeyeaz.gov). Please call (623) 349-6170 to schedule an appointment.
