

Parental Choice at the Library

This account alert system will give parents/guardians greater oversight of the materials their child may check out from Buckeye Public Library. The legal parent/guardian must provide a photo ID and acknowledge the following to activate this system:

- I am the legal parent/guardian for the minor and agree to link our accounts in the library's customer management system.
- I am responsible for visiting the library to add titles, make changes, or remove any listed titles.
- I understand that I can provide specific titles and authors for the titles to which I would like to restrict access.
- I understand that I can select an entire collection for restriction.
- I understand that my child will not be able to use any self-checkout machines.
- I understand that this will prohibit my child from borrowing digital materials on Libby, Kanopy, Freegal, and select other digital resources.
- I understand that my child will not have access to using library computers.

By signing below, you acknowledge that you have read and understood the above statements and agree to them.
