CEMETERY MANAGEMENT: Purchasing a niche in the community columbarium wall includes the cost of engraving the front cover of the Niche. Engraving will be completed within six months of the placement of the cremains of a loved one. There is no additional cost for the engraving. Engraving of the loved one's full name and date of birth and date of death are customarily engraved on the cover. All engraving is done in the same format. The City cannot accept special requests. The cost of the disinterment of cremains from a niche is \$1,000.

COMPANION NICHEs: It is important to know at the onset if you want to proceed with a companion niche. One niche is 12" x 12" and a specific size urn is required to fit 2 urns. For companion niches, each set of cremains should be in a book urn. Please notify the funeral home you are working with that you purchased a companion niche so that you can get the proper size urn. The companion niche price is only available if you make that determination before any interment of cremains.

By signing the Buyer agrees to the terms and conditions of this agreement with the City of Buckeye and knowledge they have read and understand the rules and regulations of the Louis B. Hazelton Memorial Cemetery.
